When using the Rifle or Pistol Range please pickup your brass and follow all of the Range rules.

As of late there has been quite a few live rounds found on the rifle range. Please do not leave live rounds lying around. We also had someone who shot the shotgun pattern board with what looked like a 9 millimeter. The pattern board is for shotguns only.

Thank you for helping to keep our range really nice.

## **Hunter Safety**

Hunter safety will be Saturday, March 3<sup>rd</sup>. Look for more information in the upcoming bulletins. If you want your orange card set aside that date.

## **NRA Dinner**

Next year's NRA dinner will be held on February 11, 2012. If you did not attend last year's dinner it was a big success. We will need to support the NRA and have a good time doing it.

## **SeniorDay**

The next senior day will be held on December 21<sup>st</sup>.

## **Trap**

The next Winter Trap will be held December 18<sup>th</sup>. Come on out and keep your shooting form this winter. It will help keep you ready for when the warm weather returns.

## **Military Packages**

Don Chandler does such a great job sending care packages our service men and women overseas. He sent 37 care packages this year. 8 packages sent for Christmas. Thank you everyone for your continued donations to keep such a great program going.

## Air Rifle

**The first Air Rifle will be Jan. 13, 2012. Just keep in mind you do not need to own an air rifle to shoot. The club owns some air rifles and you are welcome to use them. Hope to see many new faces.**
