

2008 Shooting Stakes, Classes, and Club Rules

Shooting lane width is 5 yards either side of a straight line from the farthest stake in the lane to the target.
 Shots may be taken within the lanes only. Shooting across lanes is not permitted for safety reasons.
 The stake colors provide a maximum yardage from the target. Actual yardage may vary within this maximum.
 IBO classes listed will be used for competitive event.

Blue	Green	Red	Yellow	Orange	White
50 Yards Maximum	45 Yards Maximum	40 Yards Maximum	35 Yards Maximum	30 Yards Maximum	25 Yards Maximum
