NRA

The National Convention is May 14th to May 16th in Charlotte N.C. One of the key speakers will be Sara Palin. I myself have never been but they say it is a great convention to attend. We can never stop fighting for our gun rights.

ATA

The dates for the ATA are set. They are on Saturday, May 15 & 29th at noon. If anybody needs any registered targets here is a chance to get some. ATA members can go to the ATA website and find out where they

can shoot registered targets at other local clubs in the area or call Tim Felty at 859-322-3109 if they have any questions.

Archery Shoot

Archery Shoots are now in full swing and will be every Monday night from 5:30- 10pm. If you have a bow it's time to dust it off, get your arrows and come out and have some fun. The next archery work day is May 15th.

New Members

Remember that you must have "8" work hours completed at the club before December 1st. This is a great time to not only get work hours but meet other members. Keep an eye out and sign up for a Saturday work day or an event work day.

Senior Day

In the last issue there was an error on the dates for senior day. The next senior day will be Wed. June 16th 2010. They are held every 3 months. If you need any more information contact Frank.

Summer Trap

Summer trap teams are still forming. The signup sheet is on the bulletin board in the clubhouse. The team will consist of 5 and the cost for the summer is \$40.00 a person. Summer trap will start on Sunday May 16th at 1:00pm. The change was due to Mother's Day. In June it will go back to the second Sunday.

Golf Outing

Bob Dickey and Tim Felty are working hard on getting the golf outing planned. Start talking to your golfers because the date is going to be August 14th. There will be more information to come in upcoming bulletins.

Family Day

The 2010 annual family day will be here before we know it. As always I am sure there will be a lot of fun for the day. It will be held on Sunday, August 15th.

AIM

The AIM program is up and running. There are a lot of fine young shooters. They are selling raffle tickets for some great guns, reloader and shot gun shells. Please see any of the boys that are shooting to purchase your raffle ticket. The raffle helps to fund this great program. If you need any information on AIM please contact Tim Felty for more information (859) 322-3109.

Texas Hold'em

For the time being Texas Hold'em is being suspended. There are some questions that need some more research as whether we are able to continue without having a special license. All of the players will be notified in the future.

Lake

I'm sure you have noticed that Weyer Lake is still down. This is due to a hole in the dam. They are currently working on getting the hole in the dam repaired so the water level can be brought back up.

Fishing

People have started fishing for the 2010 season and here are your current leaders as of this point. Keep on trying to catch the big one and don't forget to update the board if you catch a larger fish.

Measure the length of your fish to the nearest 1/16" and put your name, date, and fish length on the blackboard if it is larger than the fish listed there. Carry a measuring device with you and return any bass to the water very quickly. **All bass must be released.**

We have a new Trap Chairman and it is Don Smith. Thank you Don for volunteering to keep our traps running smooth.

Horseshoes

Glenn said that it's time to start throwing your shoes and it's not the stinky kind. Horseshoe night starts May 7th at 7:00pm. The following dates are the schedule for the year. May 21st, June 4th & 18th, July 2nd & 16th, Aug. 13th & 27th, Sept 10th & Sept. 17th as a makeup if needed.

Buy Sell or Trade

If you have any guns, fishing or sporting equipment to sell or trade e-mail me a listing or give it to me at a meeting and I will put it in the bulletin. It will stay in there for 30 days. What a great way to get the word out for free and get some free advertising.
